

# Alteryx Mentor Connect

Alteryx Mentor Connect, powered by SparkED, is a network of **Alteryx associates and customers** providing one-to-one mentorship, career guidance, and professional expertise of all types to **students and learners**.

## MENTORS

### Who can Volunteer?

Global Alteryx associates and Alteryx customers across departments, industries, and types of roles. All analytics and Designer skill levels welcome! Maveryx Mentors are passionate about using their skills and expertise for good through intentional connections with learners from around the world.

"I learned something new today as well as helping someone else! It was definitely the best part of my whole work week!" - Kristen McMurphy, Alteryx Mentor

## MENTEES | RECIPIENTS

### Who are the recipients of the mentorship program?

- Students and learners enrolled in an accredited academic institution or program of study through a registered nonprofit. Preference given to learners with an interest in data analytics and/ or familiarity with Alteryx software products.
- Individual learners or career changers exploring self-paced curriculum and upskilling bootcamps.
- Recipients are encouraged to use the platform for one-to-one career guidance, mentorship, or project-based insight from industry professionals in their academic or career area of interest.

# MENTORSHIP & PROJECTS

## What will I discuss or work on with my mentee?

Mentor work will vary dependent on the needs and interests of the mentee, but will generally fall under three categories: (1) Career Guidance - Goal Setting, Guidance & Advice, Career Development, and Networking (2) Mentorship - Skill Development, Confidence Building, Role Modeling, Feedback & Evaluation, or (3) Project Based - Alteryx & Analytic Expertise, Project Scope, Problem-Solving, Real-World Experience, and Goal Achievement. The possibilities are endless!

## GET STARTED

Create a Mentor Profile - <https://mentor.alteryx.com/apply>

1. To get started, click 'Be a Mentor' in the upper right-hand corner, this will prompt you to 'Sign in to Submit an Application' once you read through the eligibility criteria.
2. After creating a login and password (or signing in via SSO), you'll need to create a profile. Here you'll include basic info about yourself, such as your location, company and position, job experience, skillset and interests/ hobbies. Select your top 4 skills you want featured on your profile. You can also include photos and videos for mentees to view, as well as optimal availability times for when you want to connect.
  - a. Under the 'Profile' section, please select 'Yes' for Mentor.
3. Once you submit an application and profile, the Alteryx Mentor Connect team will review and approve. Then, your profile will become public on the Mentorship site where mentees can review and request to connect based on their interests and academic or career goals.

**Alteryx Employees** - Once you've matched and connected with a mentee, don't forget to log volunteer hours through Workday! Please note a new Volunteer Reason on the portal, "Alteryx Mentor Connect."
