50 WORD DESCRIPTION

As a leader in analytic process automation (APA), Alteryx unifies analytics, data science and business process automation in one, end-to-end platform to accelerate digital transformation. Organizations of all sizes, all over the world, rely on the Alteryx APA Platform™ to deliver high-impact business outcomes and the rapid upskilling of their modern workforce.

100 WORD DESCRIPTION

As a leader in analytic process automation (APA), Alteryx unifies analytics, data science and business process automation in one, end-to-end platform. The Alteryx APA Platform™ converges three key pillars of automation and digital transformation—data, processes and people—to enable the democratization of data, automation of business processes and the upskilling of people for quick wins and transformative outcomes.

Alteryx unleashes the power of data analytics to help people everywhere solve business and societal problems. Thousands of organizations globally use Alteryx to deliver high-impact business outcomes and the rapid upskilling of their modern workforce.

PLATFORM DESCRIPTION

As a leader in analytic process automation (APA), Alteryx unifies analytics, data science and process automation in one, end-to-end platform to accelerate digital transformation and rapidly upskill the modern workforce. The Alteryx APA Platform™ provides hundreds of automation building blocks for data prep and blending, diagnostic and predictive analytics, autoML, and code-free data science.

The self-service platform requires no specialized skillsets and is designed to put automation in the hands of all data workers; it can automate analytics and data science pipelines, manage complex data-centric business processes and deliver actionable insights to stakeholders in every line of business. Thousands of organizations globally use Alteryx to deliver quick wins and high-impact business outcomes. For more information visit www.alteryx.com/apa.
