Announcements

Offline Activation

To activate Alteryx on a computer that is offline, see: [Upload Activation Request](#)

Recent Releases

For details, see the [Release Notes](#).

Please Note: We have removed 21.4 temporarily from the Do portal. For more information please [click here](#).

20.4 and newer versions include important Python changes that cause workflow errors. If you use Data Connectors installed via Public Gallery [Click Here to Read More](#) before installing.

Version	Release Date
2021.3.5	02/08/2022
2021.3.4	07/22/2021
