Product Certification Exam

Patrick Nussbaumer, Director, Customer Success Enablement

Certification Program

The Alteryx Certification Program is designed to help Analytics Professionals:

- promote their personal brand,
- demonstrate their analytics expertise with Alteryx in a standardized manner, and
- communicate their level of expertise.

Certification Roadmap

Designer Core (available now) – demonstrated proficiency with the fundamentals of Alteryx Designer and the favorites tools. Exam topics include: Connecting to Data, Data Types, Basic Preparation, Basic Blending, Descriptive Analysis, Help, Basic Macros & Analytic Apps, Output Data.

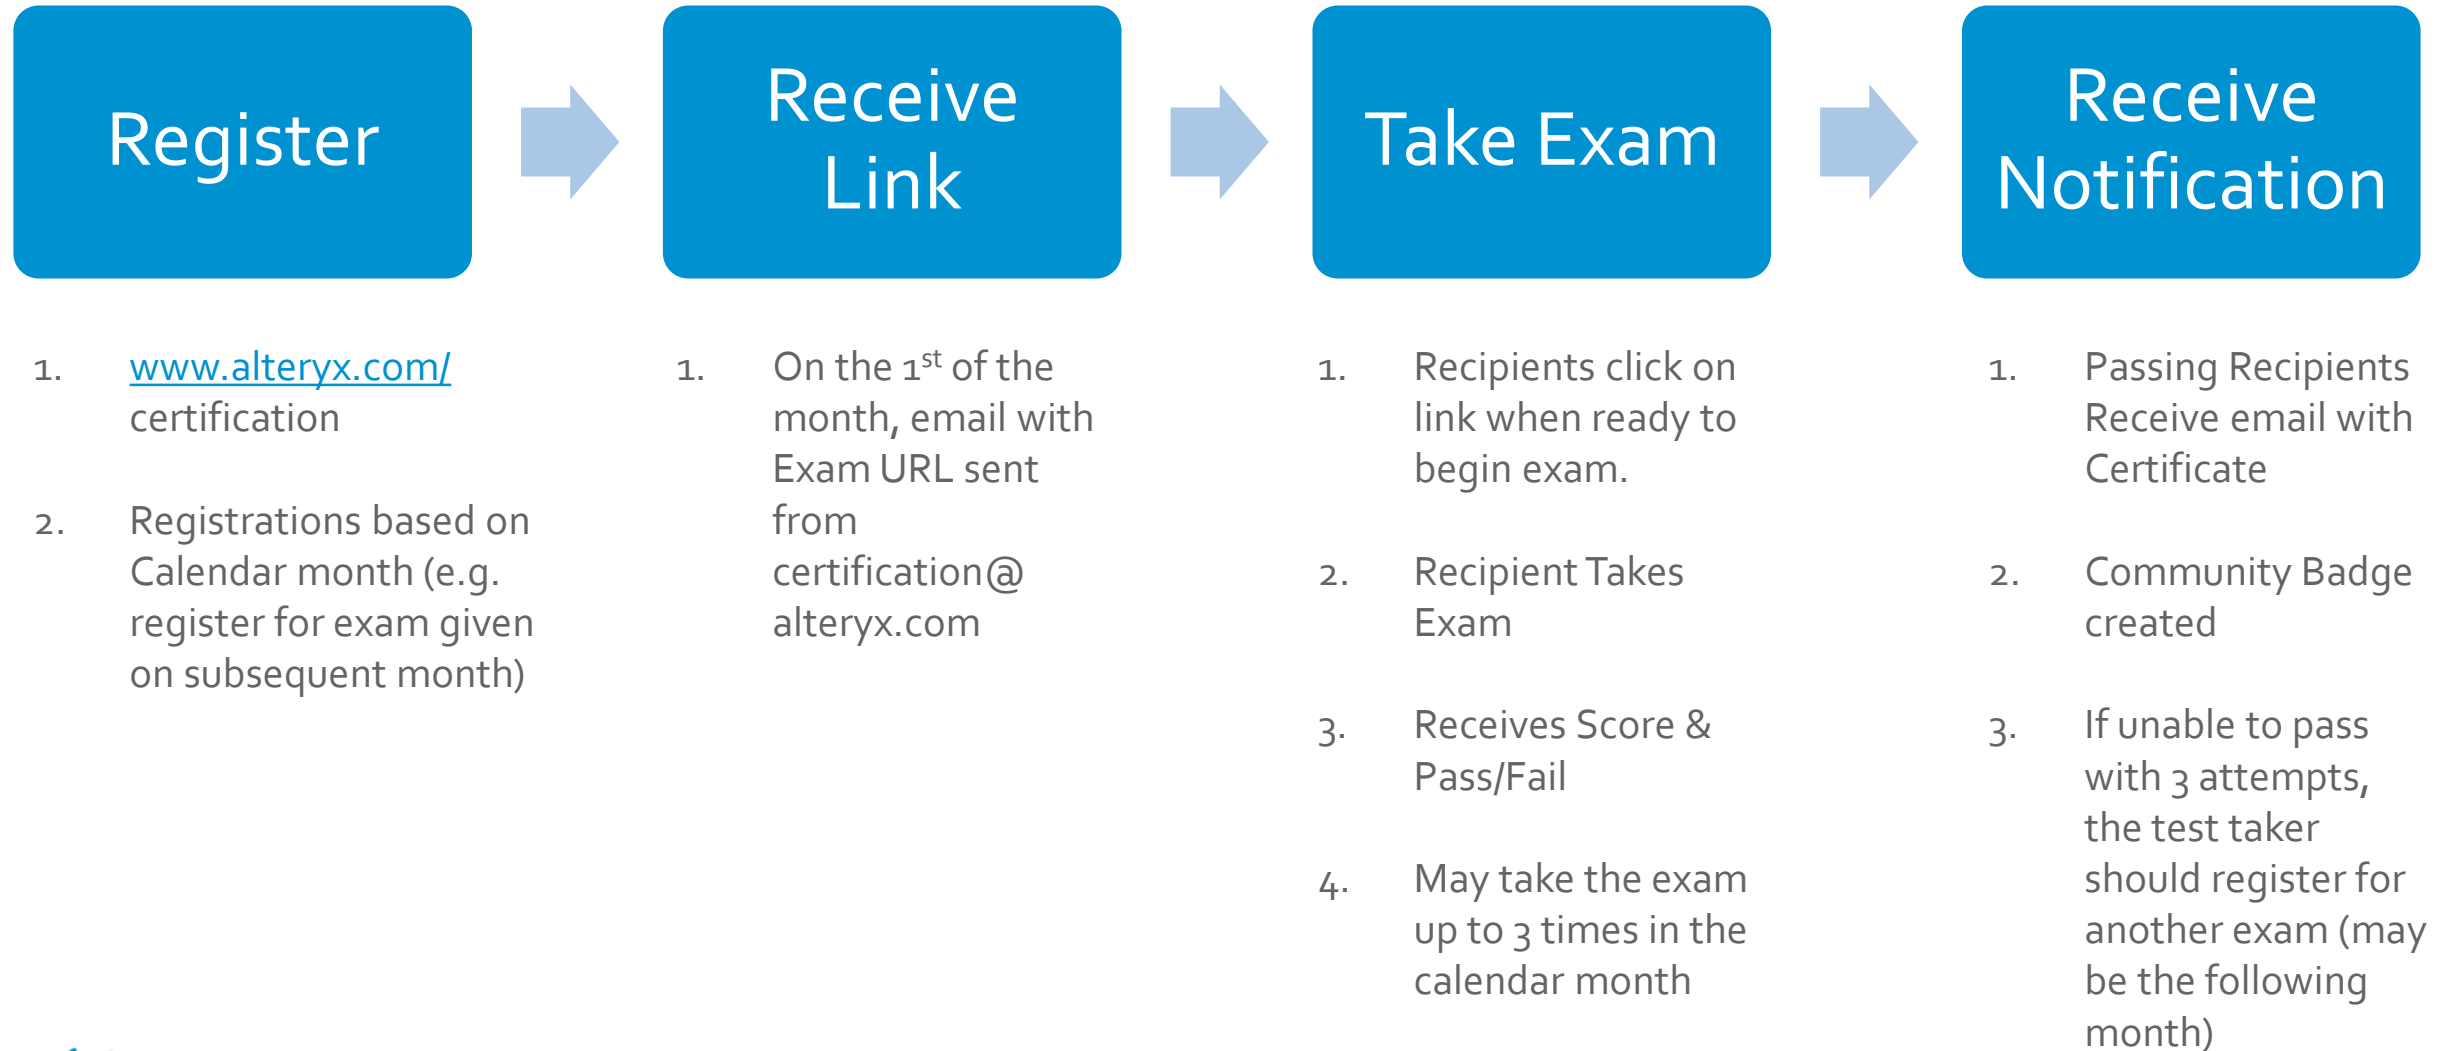

Designer Advanced (available Q1 2018) – advanced proficiency with Alteryx Designer. Exam topics include: Advanced Questions from Designer Core, plus Batch Macros, Data Investigation, Advanced Parsing, Advanced Analytics Apps, Spatial Analysis, Reporting, Visualization Integration, Gallery.

- **Prerequisite** – Designer Core

Designer Expert (available Q2 2018) – demonstrated proficiency with the full-suite of Alteryx Designer capabilities, spatial analytics and the ability to connect and work with all applicable data sources. Exam topics include: More Complex Designer Core & Advanced topics, In-DB, Iterative Macros, Predictive Models, Connectors, Web Scraping, Download Tool, Calgary Tools, etc.

- **Prerequisite** – Designer Advanced

Test Process

Registration Landing Page

Alteryx Product Certification Exam Registration

Prove your technical expertise with the Alteryx platform with product certification.

Exams are offered every month. Register today, and you will be enrolled to complete the exam during the next calendar month.

Cost = FREE

Exam Format: Multiple Choice

What to expect:

- On the first of the month, you will receive an email from certification@alteryx.com with a link to your exam.
- You will have the entire calendar month to complete the exam.
- You will not be able to exit and restart the exam - you must finish in one session.
- Exam pass/fail results will be provided immediately.
- If a fail result is achieved, you may retake the exam two more times before the end of the month. If needed, you may register for the next month's exam.
- If a passing grade is achieved, you will be sent a PDF certificate of your certification level.
