1. No more than 5 players per team. This means groups of 1,2,3,4 and 5 are welcome. 6 is more than 5 and therefore...not acceptable.
2. Climbing, hitting, or sitting on our Monsters and props is prohibited ... and mean.
3. Short putting strokes are all that one needs. Full swings are unnecessary, dangerous and may injure family, friends, dates and strangers; so please no swinging above the knees.
4. There is a 5 stroke limit per hole. Please allow faster groups to play through.
5. Profanity and abusive language or behavior that affects the safety and comfort of other guests is prohibited. We love our Monsters but if you act like a bad one you may be asked to leave.
