COLLABORATING WHILE DOING GOOD

DATA FOR GOOD (YYC CHAPTER)

- <https://www.meetup.com/Data-for-Good-Calgary/>
- Anyone can join, all levels, all backgrounds.
- 817 Members

Data for Good inspired by DataKind.org is working for positive social action through "data in the service of humanity".

It brings together leading data scientists with high impact social organizations through a comprehensive, collaborative approach that leads to shared insights, greater understanding, and positive action through "data in the service of humanity".

COLLABORATING WHILE DOING GOOD

ALTERYX FOR GOOD CO-LAB

- <https://www.afgcolab.com/>
- There is a vetting process to be admitted as volunteer

The Alteryx for Good Co-Lab is a network of experienced Alteryx users that can help non-profit organizations and educators to drive value across the constituencies they serve.

It works by matching a volunteer to a non-profit. The organization can search volunteers by location and work types: workflows, Macros & Apps, Getting Started, Data prep and Advanced Analytics.
